

USER STORY

As a Project creator

- I want to create an account
- I want to create a campaign using images, video and text (also get a campaign preview)
- I want to be able to edit my campaign after publishing it
- I want to receive notification when the campaign receives a donation
- I want to monitor comments on the campaign page
- I want to be able to track campaign progress
- I want to view the backer list and the donations made
- I want to share campaign on multiple social platforms
- I want to display beneficiary's information
- I want to provide updates on the progress to the backers
- I want to be able to create a campaign draft and save before publishing
- I want to manage my account (from multiple devices)

As a Backer

- I want to sign up for an account
- I want to browse top trending, most funded, ending soon projects
- I want to have filters to shortlist projects which I can donate to
- I want to search for projects according to their locations
- I want to get tax deductions on my donations
- I want to be able to comment on the project I donated
- I want to track the progress of the projects I have backed (alerts, notifications)
- I want to track my donations (project name, date, mode of payment and amount)
- I want multiple payment options
